

Joe Garmeson Trust Report for the District 74 Council Meeting

Sept2023

Members of the Joe Garmeson Trust:

Tim Knights	Chairman.
Elize Janse Van Rensburg	Applications.
Des Smith	Treasurer.

Garmeson Trust Support

The Garmeson Trust is financially supporting underprivileged members who cannot afford to pay the dues, by providing the joining fee and half of the semi-annual dues.

A total of 43 individual members are currently being subsidised by the Trust. This compares with 54 last year. Last year's number was due to members having a loss of income due to COVID. We hope the reduction this year is because people are getting back to normal after COVID.

Increase in Dues

As you know TI has increased the dues from \$45 to \$60; accordingly the trust has increased its subsidy to the Rand equivalent of \$30.

Should you have a member who you feel is justified in benefitting from the Garmeson trust please make an application using the current form.

The current form can be found on the District 74 website under "For Members".
