Club Health & Retention

Naledi Toastmasters	Naledi has been off to a great start. The exco has been inducted and meetings have been held with good attendance by members
Dinaledi Toastmasters	Dinaledi is struggling to kick off this year. There are only 8 members and the exco is not complete either.
LÁvenir Toastmasters	LÁvneir has had a great start to the year. The exco has been inducted and now a complete team. Attendance to meetings has been off to a good start, but it is a focus to ensure that all members attend and achieve their goal.
CFS Toastmasters	CFS has had a great start. The Exco has been inducted. Meetings have all members attending (face to face and online). They are off to a great start.

Club Growth Plans and Status

- A potential club that have identified is that of an education club. One that has Principals, Deputy Principals, Departmental Heads and Educators. I have started having conversations, but now need to broaden my contact list and present at schools to get people's attention. Thus the progress is slow and I do require assistance.

Achievements in the Period

- I have managed to attend meetings at 3 of my clubs thus far.
- 3 of the clubs have had exco members inducted
- I have managed to meet 3 of my clubs Presidents/VPE and discussed their success plans and how I can support
-

Plans for the Next Period

- Meet the Presidents for an update and check in
- Attend another meeting before completing my next Club Visit report

Area Council Meetings

- I have not completed a Area Council Meeting. I plan to do so in September, but I have met all Presidents.

Issues & Concerns

- I need support and assistance with Dinaledi club. They are hanging on a thread and I need a strategy to assist. I have begun the discussions with my DD and we will be meeting soon to find a solution.
