### Club Health & Retention

To build membership I plan on having open houses and invite seasoned toastmasters for some educationals

### Club Growth Plans and Status

Someone close gave me a hint on a new club. Challenge has been on both of us not finding time to start the visit to the potential organization

### Achievements in the Period

Being able to maintain the standard of the one club that has 3 DCP goals by far. Appoint a mentor for Mahikeng club's request as per his request. Be able to have Mahikeng club's first meeting after a battle. Being able to visit 3 clubs by far and taking their concerns, then planning to share on our first Council meeting

### Plans for the Next Period

To have all clubs achieving atleast 5 goals. To have all exco members acquainted with toastmasters language

## **Area Council Meetings**

Our Council meetings will be held at the end of each quarter. First meeting will be end of September. However, we have active communication on whatsapp. People are showing interest and there's hope

## **Issues & Concerns**

I'll need support with Mahikeng club by sourcing role players for their meetings. Have seasoned toastmasters once in a while to visit and share their testimonies as well as giving educational. Eloquent and Firstmasters they are trying their best to have successful meetings despite the low attendance
