Club Health in the Area

2 of our Clubs are already at 5 DCP Goals(Global Orators & Harties Toastmasters). When the dashboard updates – We will be closer to having 3 clubs Distinguished ready (Good to Great Speakers will be at 4 DCP goals. They are hard at work on their education goals). We have 2 Corporate Clubs and one is hard at work on their Education goals (SARS Transformers) while AVBOB still needs some guidance on how to work with an Education plan. Every club is still meeting 2x per month. We are currently focussing on getting the renewals done and the Area Contest.

Area Council Activity

We meet every 1st Friday of the month.
And have a Whatsapp group.

Your Wow!Factor as an Area Director

I love people, and I love teaching what I know. I love the fact that I have answers to most of the questions from the area and if I don't have answers we reason it out, together.

What is your goal & what still needs to happen for the Area to achieve its goal?

We are aiming for everyone to at least have 5 DCP goals and 20 members. There is still some work that needs to be done in the education department but currently we are focusing on getting our Dues paid.

What does the future hold for the Area?

I think all the clubs in Area A1 have such a supportive culture of their members that the members feel like they can conquer the world.
