Club Health in the Area

Currently I have two clubs,
Pinnacle TM Club: Is of good health. Have seven (7) executives trained for CoTii and have met seven (7) DCP Goals. We had an open house, which yield substantial growth in the club.

Umlazi TM Club: Is worrying. They have three (3) executives trained for CoTii, have only met one (1) DCP Goal. We are aiming at having an Open House by March 2024.

Area Council Activity

We have schedule a Corporate Demo Event next week, 6 March 2024.
Umlazi TM Club Open House, end March.
Club Contests have been completed.

Your *Wow!Factor* as an Area Director

Have had two club demo events and this was a learning for me. Will be doing a third demo event.

What is your goal & what still needs to happen for the Area to achieve its goal?

For one club to attend CoTii, as well as complete their educationals.
Launch a two new clubs.

What does the future hold for the Area?

There were will two club launched. One a community Club and a Corporate Club.
More members in the existing Club as we have open houses.
