Health in the Division

	Base	Goal	Commentary
Paid Clubs	14	18	
Distinguished Clubs		14	7 - We will have at least 14 Distinguished Clubs by May 2024
New Clubs			None- I still have hope that we will launch a corporate Club in E3.

Club Quality: Are there any clubs that appear to be healthy from the statistics but that are at risk/unhealthy? Soaring Eagles, Thuthuka, Sanlam and Siemens

What plans are in place to address this? Sanlam doesn't have active members there's which makes it very difficult to hold a club meeting. We tried to add more members. There's still hope. Soaring and Thuthuka are literally not operating

Do your clubs have DCP plans in place and how confident are you that they will achieve these? t least 14 Presidents have made it a point to have two – three speeches in each and every meeting, This will contribute to educational goals.

Do clubs have healthy meeting attendance? I do have 14 out of 18 paid up clubs, 10 are having healthy meetings. Siemens members and few members from various clubs are dissatisfied with recent price increase this has affected attendance as well.

Are clubs actively using the Toastmasters educational programme – Pathways and the legacy programme? Most of them are
