Division Director Overview (What are your goals ? How are you working towards Smedley Distinguished)

Work with AD A1 and AD A4 for 2 possible new clubs (Jewish one and Potch Uni) will keep encouraging other ADs for new clubs there is also a possible one with AD A3 in Old Mutual. A1 looking at Wits and A5 looking at community club in Soweto. Need to run a campaign for Level participation for Oct, Nov Dec to push level completions. Contact with the Area Directors: (ie. Council Meetings and outcomes)

We have made the monthly Exec Meeting our monthly check in but we are on WhatsApp and have calls on regular basis and I also have the whatsapp group and send them their goals for the month via email then regular follow up in WhatsApp sometimes calls as well

New Clubs (Who is working towards this, at what stage are they, what help or resources do they need?)

Covered above

Member growth initiatives: (Member renewal strategy for your division)

Need to place more efforts into this. Nothing at the moment.

Contest (Division & Area contest plans, dates, times, venues, your team)

Division contest combined A, E and F firming up date either 10 or 17 April. Have Chief Judge. Still to obtain dates from ADs for Area contest dates and then also Club Contest dates

Areas: (Areas that may be fragile, need a coach or help. What is your strategy to supporting all clubs and achieve excellence)

A5 may need help but I need to reach out and ask him first. Will do that. I do want to have one to one check instead with all ADs before next Exec Meeting possibly also A2 to see if she needs assistance. A1 is struggling with CIS. Will chat to DD about this one as it is a sensitive situation

Area Success Stories:

Green Speakers are already Smedley! L'Avenir have 3 DCP goals and CFG, Standard Bank Ops and Gauteng e-Gov have 2 each. Good level completions by Sanlam on Hill, Alberton, Sasol Energy and L'Avenir
