

D74 Revised Alignment

For Council Attention

Dear Members of District 74 and Esteemed District Council,

12 July 2025

In the April 2025 Council Meeting, we approved a District alignment consisting of **121 clubs**, based on projections that some not verified complete clubs would be revived and new clubs chartered. While we successfully saved a number of these clubs, we unfortunately also experienced losses, and not all projected new clubs were chartered. This impacts our overall structure.

As per **Toastmasters International alignment protocols**, we may only align clubs that appear on the **Club Performance Dashboard** or are in **charter processing by July 1**. Consequently, the current number of clubs does **not support retaining 7 Divisions** as originally voted.

To maintain compliance with Toastmasters protocols which require **4–6 clubs per Area**, and a minimum of **4 Areas per Division**, adjustments were made to balance Divisions and Areas. These changes were made in **consultation with affected Division Directors and Area Directors**, to ensure a collaborative and fair process.

You can **view the revised alignment** here: <http://bit.ly/4nZ6hLI>

To **submit input on the proposed alignment**, please use this form: <https://forms.gle/4TZyPXUckuWGFTg8>

Next steps as advised by Toastmasters international

- The revised alignment will form part of the ratifications at the **September District Council Meeting**
- To meet the **Toastmasters International deadline of July 15**, it will first be **voted on by the District Executive Committee (DEC)** in the next 24 Hours.

Thank you for your continued commitment to excellence and for being a **Catalyst of Success** in **District 74**.

Warm regards,

Bhekisisa Ngomane, DTM

District Director, District 74

Toastmasters Southern Africa

END.
